

State Railway of Thailand (SRT)
SHORTLIST ENQUIRY DOCUMENT: FILL-OUT FORM
Construction Supervision Consultant
The Mass Transit System Project in Bangkok (Red Line) (I)

INSTRUCTION:

Kindly inform us of your interest and proposed formation of your company or your team to perform the Construction Supervision Consultant (CSC) Works briefly described as follows:

The CSC shall provide all of the professional staff, services, supplies and equipment necessary to perform the CSC Services and shall act as the duly authorized representative of the SRT, to the extent authorized in writing by SRT, in all dealings with the Contractors.

All Staff members of the CSC shall be available, on a daily basis for consultation on any aspect of the Works and shall provide all data requested by SRT in association with completion of the Works of the CSC Service. The CSC is to ensure that the Works conform to the Construction Contract and that the integrity of the design concept of the completed project, as indicated in the Contract, has been implemented and preserved by the Contractors within the established time schedule and budget. The scope of work of this consulting services will comprise the supervision of construction civil works and installation of Railway system works.

The CSC will supervise all activities and will be deemed to undertake that all consulting services i.e. supervision, scheduling, cost monitoring, administration, management, coordination and all provided services will come up with the result of recommendation, suggestion, concurrence, approval and report as general practices required within the construction and contract let by SRT.

You, and if appropriate, your team members shall include the followings by filling out the attached form:

1. Information as required on each company's Structure and Organization.
2. A brief list of experience in consulting services in projects of your company and your proposed partners for the past ten years (March 2001 – present).
3. Information as required on each company's Personnel and Financial Status.
4. A letter from each member company stating that they have agreed to form a team and to be jointly and severally liable to implement the Works, signed by authorized representative of that company. The authorized lead company shall also be named.
5. Each member shall fill out the form separately. The form can be reproduced.
6. Three sets of shortlist document shall be enveloped and delivered in person to SRT on April 18, 2011, no later than 3.00 pm, at this address:

The Special Project and Construction Department
State Railway of Thailand
1 Rong Muang Road,
Pathumwan District, Bangkok 10330 Thailand
Phone: 662 220 4773, 662 220 4774
Fax: 662 220 4776
Email: redline_rangsit@railway.co.th
Attn: Mr. Jaray Roongthane
Project Director

From the responses submitted, SRT shall establish a shortlist of consultants who will be invited to tender for the CSC Works. In the case, a shortlisted consultant is a consortium or joint venture, all original members must remain as named in shortlist (reducing in group member is not allowed). SRT reserves the right to accept or reject any of all of the submissions and shall not be liable for any claims arising there from, nor be liable to give any explanations or reasons for its decisions.
