SUMMARY OF THE EXCHANGE OFFER

The following summary is provided solely for the convenience of the Eligible Bondholders. This summary is not complete and is qualified in its entirety by reference to the full text and more detailed information contained elsewhere in this Exchange Offer Memorandum and any amendments or supplements thereto. Eligible Bondholders are urged to read this Exchange Offer Memorandum in its entirety. Each of the capitalised terms used in this summary and not defined herein has the meaning set forth elsewhere in this Exchange Offer Memorandum.

Invitation The Issuer is inviting Eligible Bondholders to offer to exchange, upon the terms and subject to the conditions contained in this Exchange Offer Memorandum and the Exchange Offer Form, any and all series and amount of their outstanding Source Bonds for Destination Bonds in a total principal amount of not more than Baht 90,000 million.

Purpose of the Invitation The purpose of the Invitation is to effectively extend the maturity date of the borrowing represented by the Source Bonds and also to reduce risks associated with refinancing of the borrowing represented by the Source Bonds (Refinancing Risk) or other bonds having a maturity date close to that of the Source Bonds (Bunching Risk). If the Destination Bonds are already traded in the market, the number of Destination Bonds outstanding will increase. As a result, the Destination Bonds will be more liquid and, therefore, will be traded more efficiently in the secondary market. The issuance of Destination Bonds in accordance with the exchange transaction contemplated herein is under the Issuer's Annual Public Debt Management Plan for Fiscal Year B.E. 2560 (2017) (as amended or supplemented) to manage its liabilities.

Commencement and Expiration The Invitation commences on or around 19 May 2017, and will expire at 12.00 p.m. (Bangkok time) on 23 June 2017 (the Pricing Date), unless the Issuer, at its sole discretion, extends, amends, terminates, re-opens or withdraws the Invitation.

Destination Bonds to be Received Pursuant to Exchange Offers If you hold Source Bonds and validly offer to exchange them pursuant to the Exchange Offer and the Issuer accepts your offer, you will receive the Destination Bonds that you have selected at the Exchange Ratio of "1:1" (one unit of Source Bonds can be exchanged for only one unit of Destination Bonds of each series). In this regard, payment of Net Cash Settlement Amount (if any), as calculated by the Formula set out in "*Terms of the Invitation and Procedures for the Exchange Offer – Paragraph 6.1 (Destination Bonds to be Received Pursuant to the Exchange Offers and Net Cash Settlement Amount)*" may be made by the relevant Eligible Bondholder or the Issuer (as the case may be).

You must submit the principal amount of Source Bonds in multiples of Baht 1,000. The Issuer will only issue Destination Bonds which the Issuer agrees to exchange in exchange for Source Bonds in multiples of Baht 1,000 at the Exchange Ratio of "1:1".

Submission of Offers Eligible Bondholders may submit their Exchange Offers as indicated in their Exchange Offer Forms to the Joint Lead Managers during the Submission Period, being the period between 5.30 p.m. on 22 June 2017 to 12.00 p.m. on 23 June 2017. All Exchange Offers must be made in accordance with the procedures set out in "*Terms of the Invitation and procedures for the Exchange Offer – Paragraph 6.3 (Procedures for Submitting Exchange*

Offers)".

If you are not an Eligible Bondholder, if you do not make an Exchange Offer or if the Issuer does not accept your offer, for any reason, you will continue to own your Source Bonds and any Source Bonds outstanding after consummation of the Exchange Offer will continue to be obligations of the Issuer, and will continue to pay interest and principal according to their existing terms.

All questions regarding the validity, form and eligibility of any Exchange Offer will be determined by the Issuer, at its sole discretion, determination of which will be final and binding. See "*Terms of the Invitation and procedures for the Exchange Offer*" "*Terms of the Invitation and procedures for the Exchange Offer – Paragraph 6.7 (Irregularities)*".

Withdrawal Rights

Source Bonds offered for exchange pursuant to the Exchange Offer may not be withdrawn.

Source Bonds Tendered in Part or Source Bonds Accepted in Part

Eligible Bondholders who offer to exchange only a certain series and/or portion of their Source Bonds pursuant to the Invitation and Eligible Bondholders whose Source Bonds are accepted in part will retain certain series of the Source Bonds equal in principal amount to the portion of the Source Bonds not validly tendered or accepted pursuant to the Invitation. Any Source Bonds outstanding after consummation of the Exchange Offer will continue to be obligations of the Issuer, and will continue to pay interest and principal according to their existing terms.

principal amount of Source Bonds of each series, which will be determined by the Issuer at its sole discretion. Eligible Bondholders will not receive any accrued interest on the principal amount in respect of the validly tendered Source Bonds which are accepted for exchange by the Issuer, except where the register of any series of such Source Bonds is closed for the purpose of interest payment for such series of the Source Bonds before the Settlement Date. TERMS OF THE INVITATION AND PROCEDURES FOR THE EXCHANGE OFFER

For reference, a summary of the following terms of the Invitation may be found in the Summary Section above. In addition, definitions of capitalised terms used herein are set out in the Definition Section. All references are to Bangkok time.

1. General

On the terms and subject to the conditions described in this Exchange Offer Memorandum, the Issuer is inviting Eligible Bondholders to submit offers to exchange their Source Bonds for Destination Bonds. The key terms of each series of the Destination Bonds are described in "*Terms of the Destination Bonds*".

2. Purpose of the Invitation

The purpose of the Invitation is to effectively extend the maturity date of the borrowing represented by the Source Bonds and also to reduce risks associated with refinancing of the borrowing represented by the Source Bonds (Refinance Risk) or other bonds having a maturity date close to that of the Source Bonds (Bunching Risk). If the Destination Bonds are already traded in the market, the number of Destination Bonds outstanding will increase. As a result, the Destination Bonds will be more liquid and, therefore, will be traded more efficiently in the secondary market. The issuance of Destination Bonds in accordance with the exchange transaction contemplated herein is under the Issuer's Annual Public Debt Management Plan for Fiscal Year B.E. 2560 (2017) (as amended or supplemented) to manage its liabilities.

3. Commencement and Expiration of the Invitation:- Termination, Extension and Amendment

The Invitation commenced on 19 May 2017. The Invitation will expire at 12.00 p.m. on 23 June 2017 (the Pricing Date), unless the Issuer at its sole discretion extends, amends, terminates, re-opens or withdraws the Invitation.

At any time before the Issuer, through the Joint Lead Managers, delivers written confirmations accepting any Exchange Offer, the Issuer may, at its sole discretion:

- terminate or withdraw the Invitation, including rejecting Exchange Offers submitted by the Eligible Bondholders to the Joint Lead Managers;
- re-open the Invitation which has been terminated or withdrawn;
- extend the Invitation beyond the originally scheduled Pricing Date; or
- amend the terms of the Invitation from time to time in any fashion.

After the Eligible Bondholders have been notified of the result of the exchange transaction, the Issuer may, at its sole discretion, terminate or cancel its acceptance of the Source Bonds submitted by any Eligible Bondholder(s) whose Exchange Offer has been accepted, but which has failed to comply with the terms, conditions and procedures as specified herein, including (but not limited to) failure to duly deliver the Source Bonds of the series and in the amount accepted or duly pay the Net Cash Settlement Amount (whether in full or in part) (if any) in accordance with the procedure specified herein, or terminate or cancel its acceptance of the Exchange Offers submitted by all the Eligible Bondholders.

In the event of such termination, extension or amendment, the Issuer will disseminate a notice to that effect through the Joint Lead Manager or any electronic information service provider or by a press release or by any other means.

4. Pricing:- Selection and Announcement of Source Bond Price, Range of Yields and Range of Destination Bond Price, for the Purpose of Pricing

For the purposes of the Exchange Offer and the pricing of the exchange transaction, the Issuer will, at around 5.30 p.m. on the Submission Commencement Date, determine, at its sole discretion, the Source Bond Price (as defined herein) and announce such Source Bond Price on the PDMO's Website. For the same purposes, the Issuer will also specify, at its sole discretion, a range of yields and a range of Destination Bond Price (as defined in the Formula) per unit applicable to the Destination Bonds of each series, with such ranges reflected in the Exchange Offer Forms.

5. Methodology Generally:- No Recommendation

The methodology used to calculate the consideration to be received pursuant to accepted Exchange Offers represents one of several possible approaches and its formulation involves choices and judgements that are necessarily subjective. Source Bond Price and Destination Bond Price (as defined in the Formula) which are determined by the Issuer will not necessarily have any relationship to actual or market value of Source Bonds or Destination Bonds. You should independently analyse the value of the Source Bonds and Destination Bonds and make an independent assessment of the terms of the Invitation. Neither the Issuer nor the Joint Lead Managers expresses any opinion as to whether the terms of the Invitation are fair or make any recommendation for you to offer to exchange Source Bonds or refrain from offering to do so pursuant to the Invitation, and no one has been authorised by the Issuer or the Joint Lead Managers to make any such recommendation.

6. Invitation Procedure

The Invitation invites the Eligible Bondholders to offer for exchange their Source Bonds for the Destination Bonds to be issued by the Issuer. Each Exchange Offer submitted by the Eligible Bondholder must indicate all the details required by the Exchange Offer Form, including a yield(s) and price(s) in respect of Destination Bonds selected. The selected yield(s) and price(s) must be one or more of the yields and prices provided in the Exchange Offer Form. In addition, the Eligible Bondholders must indicate the series and amount of the Source Bonds which he wishes to offer for exchange as the Exchange Offer Form requires. However, the Eligible Bondholder is not entitled to select which series and amount of the Source Bonds are to be exchanged with which series and amount of the Destination Bonds. The Issuer has the exclusive right to select, as it sees fit, any series of the Source Bonds in any amount (within the series and amount that the Eligible Bondholder offer to exchange as indicated in the Exchange Offer Form) in exchange for any series of the Destination Bonds in any amount (within the series and amount that the Eligible Bondholder has specified in the Exchange Offer Form).

If the Issuer does not accept your Exchange Offer for any reason, you will continue to own your Source Bonds and any Source Bonds outstanding after consummation of the Exchange Offer will continue to be obligations of the Issuer, and will continue to pay interest and principal according to their existing terms.

6.1 Destination Bonds to be Received Pursuant to the Exchange Offers

Any series of the Source Bonds in any amount may be exchanged for Destination Bonds in accordance with this Exchange Offer Memorandum. Your Exchange Offer must indicate the series and amount of each of the Source Bonds you wish to exchange for Destination Bonds of any of the series referred to above and other details required by the Exchange Offer Form. In no event, however, are you allowed to offer to exchange in aggregate, Source Bonds in excess of the total number of units of such series of the Source Bonds held by you.

If you offer to exchange Source Bonds for Destination Bonds pursuant to the Invitation and the Issuer accepts your Exchange Offer(s), you will receive, one unit of Destination Bonds (having a principal amount denominated in Baht) in exchange for one unit of Source Bonds accepted for exchange. As a result of such exchange, there may be Net Cash Settlement Amount(s) which the Eligible Bondholders whose Exchange Offer has been accepted will have to pay to or receive from the Issuer, as calculated by using the

Formula below. The Formula below is used for the calculation of the Net Cash Settlement Amount for the exchange of all Series of Destination Bonds and all Series of Source Bonds.

Net Cash Settlement Amount =

$$\sum_{i=1}^n \text{"Gross Value of Accepted Source Bond"} - \sum_{j=1}^m \text{"Gross Value of Received Destination Bond"}$$

n = Total amount of Accepted Source Bonds; m = Total amount of Received Destination Bonds

Where:

Gross Value of Accepted Source Bonds = aggregate value (in Thai Baht) of " Accepted Source Bonds" (as defined below), calculated by multiplying "Source Bond Price" (as defined below) by "Units of Source Bonds Accepted" (as defined below), in which the aggregate value for each series of Source Bonds will be rounded downward to 2 decimal places (if the 3rd decimal place is equal to or more than 5, the 2nd decimal place will be rounded up).

Gross Value of Received Destination Bonds = aggregate value (in Thai Baht) of " Received Destination Bonds" (as defined below), calculated by multiplying "Destination Bond Price" (as defined below) by "Units of Destination Bonds Allotted" (as defined below), in which the aggregate value for each series of Destination Bonds will be rounded downward to 2 decimal places (if the 3rd decimal place is equal to or more than 5, the 2nd decimal place will be rounded up).

Source Bond Price = the price per unit of the Accepted Source Bonds (as defined below) (denominated in Baht) reflecting the present value of accrued interest (if any), interest amount calculated from the Settlement Date until the scheduled maturity date of the Accepted Source Bonds and principal amount of the Accepted Source Bonds which will be determined by the Issuer at its sole discretion at around 5.30 p.m. on the Submission Commencement Date.

Destination Bond Price = the price per unit of the Received Destination Bonds (denominated in Baht) (as defined below), which reflects the present value of accrued interest (if any), interest amount calculated from the Settlement Date until the scheduled maturity date of the Received Destination Bonds and principal amount of the Received Destination Bonds, as calculated and determined by the Issuer, based on the Destination Bond Interest Rate (as defined below), the Received Destination Bond Yield (as defined below) and the tenor of the Received Destination Bonds.

Received Destination Bonds = The series of Destination Bonds of any series selected by the Issuer to be exchanged for the Accepted Source Bonds.

Accepted Source Bonds = The series of Source Bonds of any series accepted by the

Issuer for exchange.

Destination Bond Interest Rate = The interest rate of the Received Destination Bonds to be determined and announced by the Issuer, at its sole discretion, on or before the Submission Commencement Date.

Received Destination Bond Yield = The yield of the Received Destination Bonds (of any one series) which is selected by the Issuer after the completion of the pricing process as the most appropriate yield for the purpose of the Exchange Offer.

For the purpose of clarity, the Exchange Offer Form will specify, among other things, certain yields for selection by each exchanging Eligible Bondholder. The Issuer shall, at its sole discretion, select one of the specified yields as the most appropriate yield for the purpose of the Exchange Offer. The Exchange Offer Form shall be in the form set out in Appendix 1 attached hereto.

Units of Destination Bonds Allotted = The number of units of Destination Bonds of any one series which each relevant Eligible Bondholder whose Exchange Offer has been accepted is entitled to receive. Such number of units of all series of Destinations Bonds will be equal to the number of units of all series of Source Bonds accepted for exchange.

Units of Source Bonds Accepted = The number of units of Source Bonds of any one series which the Issuer accepted for exchange. Such number of units of all series of Source Bonds accepted will be equal to the number of units of all series of Destination Bonds which each relevant Eligible Bondholders is entitled to receive.

If the Issuer has selected Destination Bonds of more than one series to be exchanged for Source Bonds of one or more series that the Eligible Bondholder offers, the Net Cash Settlement Amount to be received by such Eligible Bondholder (or to be paid to the Issuer) for the settlement of the exchange transaction between all series of Destination Bonds and all series of Source Bonds, shall be calculated using the Formula above. If the result of the "**Net Cash Settlement Amount**" for as calculated by using the Formula is expressed in negative numbers, this means that the Gross Value of Accepted Source Bonds is lower than the Gross Value of Received Destination Bonds. On the other hand, if the result of "Net Cash Settlement Amount" is expressed in positive numbers, it means that the Gross Value of Accepted Source Bonds is higher than the Gross Value of Received Destination Bonds.

If the Net Cash Settlement Amount is negative, the Eligible Bondholder whose Exchange Offer has been accepted shall pay such Net Cash Settlement Amount to the Issuer. However, if the Net Cash Settlement Amount is positive, the Issuer shall pay such Net Cash Settlement Amount to the Eligible Bondholder whose Exchange Offer has been accepted.

In a case where the Eligible Bondholder receives the Net Cash Settlement Amount from the Issuer, the BOT (in its capacity as the registrar of Source Bonds and Destination Bonds) will deduct withholding tax (on any relevant income amount relating to the exchange transaction which the Eligible Bondholder has a duty to pay Thai tax) (if any) from the Net Cash Settlement Amount, in accordance with the current Thai tax ruling applicable to the exchange transaction contemplated herein. See "*Thai Taxation – Thai Tax Implications on the Exchange Transaction*". In such case, the Eligible Bondholder may not receive the Net Cash Settlement Amount in full as calculated according to the Formula. Moreover, in a case where the Eligible Bondholder pays the Net Cash Settlement Amount to the Issuer or the Net Cash Settlement Amount

is not required to be paid by either party, the Eligible Bondholder may be required to pay to the Issuer an additional amount to reimburse the Issuer for withholding tax (on the amount which the BOT in its capacity as the registrar of Source Bonds and Destination Bonds has a duty to deduct in connection with the exchange transaction) (if any). On the Allotment Date, the Issuer, through the Joint Lead Managers, will inform each Eligible Bondholder whose Exchange Offer has been accepted, the amount of withholding tax to be deducted from the relevant income in respect of such Eligible Bondholder's exchange transaction. The Eligible Bondholder is responsible paying for all fees or charges arising from the transfer of the Net Cash Settlement Amount (if any), whether the Eligible Bondholder is a payer or payee of such Net Cash Settlement Amount.

References in this Exchange Offer Memorandum to “principal amount of Source Bonds” shall mean the face amount thereof. You must submit the principal amount of Source Bonds in multiples of Baht 1,000. The Issuer will only issue Destination Bonds in exchange for Source Bonds in multiples of Baht 1,000.

A total number of units of all Destination Bonds that the Eligible Bondholder will receive in exchange for Source Bonds tendered will not exceed a total number of units of Source Bonds accepted for exchange by the Issuer.

If within the Submission Period, the Joint Lead Managers do not receive your Account Instruction Form containing, among other things, details of your Designated Securities Account and Net Cash Settlement Receipt Account – Bondholder, the Destination Bonds to be delivered to you will be deposited into your Broker's account into which your tendered Source Bonds are or were deposited, and, as for the Net Cash Settlement Amount to be paid to you (if any), you must notify the BOT of the details of the Net Cash Settlement Receipt Account – Bondholder without delay so that the BOT will transfer the Net Cash Settlement Amount to such account without any interest or penalty thereon.

If the Issuer accepts any Exchange Offer, any Exchange Offer not so accepted, to the extent pertaining to the Exchange Offer not accepted, shall automatically be deemed to be withdrawn.

6.5 Discretion on the Part of the Issuer:- Selection and Announcement of Applicable Yields of Source Bonds Accepted

At around 5.30 p.m. on the Submission Commencement Date, the Issuer will announce, via PDMO's website, the Source Bond Price in respect of each series of the Source Bonds determined at its sole discretion

for the purpose of determining the Net Cash Settlement Amount in accordance with the Formula specified in Paragraph 6.1 (*Destination Bonds to be Received Pursuant to the Exchange Offers and Net Cash Settlement Amount*).

The Issuer intends to accept the Source Bonds offered for exchange in a total principal amount of not more than Baht 90,000 million. The Issuer reserves the right, at its sole discretion, not to accept any Exchange Offer. If the Issuer determines to accept any Exchange Offer submitted pursuant to the Invitation, it will, on the Allotment Date, select at its sole discretion:

- the yield applicable to the Destination Bonds of each series for the purpose of calculating the Net Cash Settlement Amount in accordance with the Formula specified in "*Terms of the Invitation and procedures for the Exchange Offers*";
- the "Destination Bond Price" (as defined in the Formula) for the purpose of calculating the Net Cash Settlement Amount for Destination Bonds of each series in accordance with the Formula specified in "*Terms of Invitation and procedures for the Exchange Offers*"
- the total number of Source Bonds of each series accepted in exchange for applicable series of Destination Bonds;
- the total number of Destination Bonds of each series to be issued in exchange for Source Bonds accepted for exchange.

If the yield of the Received Destination Bonds (as defined in the Formula) selected by each relevant Eligible Bondholder in the Exchange Offer Form is equal to or lower than selected yield applicable to the Destination Bonds of each relevant series as specified in the first bullet point above (or the Received Destination Bond Yield defined in the Formula), the Issuer may at its sole discretion accept the Exchange Offer, in full or in part. For the purpose of determining the Net Cash Settlement Amount in accordance with the Formula, the same Received Destination Bond Yield (as defined in the Formula) will be applicable to all the Eligible Bondholders whose Exchange Offers (for the exchange of the same series of the Source Bonds) are accepted by the Issuer even though the yield selected by any such Eligible Bondholders in their Exchange Offer Forms is lower than the Received Destination Bond Yield.

6.6 Acceptance of Exchange Offers

On the Allotment Date at around 4.00 p.m., the Issuer will, through the Joint Lead Managers, notify all Eligible Bondholders who have submitted an Exchange Offer Form in writing of the result of his Exchange Offer indicating the number of Destination Bonds of each series to be delivered in exchange for the accepted Source Bonds and the Net Cash Settlement Amount which the Issuer or each Eligible Bondholder (as the case may be) must pay to the other party (if any), which shall be determined in accordance with the Formula specified in Paragraph 6.1 (*Destination Bonds to be Received Pursuant to the Exchange Offers and Net Cash Settlement Amount*), the amount of withholding tax to be deducted from the relevant income in respect of each Eligible Bondholder's exchange transaction and other information relevant to the acceptance of Exchange Offers as specified in the Exchange Acceptance Form.

Factors that the Issuer will take into account for making its decision to accept or reject the Exchange Offer in respect of the exchange of any Source Bonds with Destination Bonds of each series include interest rate and market price of each series of the Source Bonds and Destination Bonds, maturity, the outstanding amount and other relevant factors. The Issuer has the exclusive right to reject or accept any Exchange Offer in respect of the exchange of any Source Bonds with Destination Bonds of any series whether in whole or in part, as the Issuer deems appropriate. Eligible Bondholders do not have the right to select the series and the number of the Destination Bonds he wishes to exchange his Source Bonds with. The Eligible Bondholders will only be entitled to indicate the series, number and yield of the Destination Bonds that he wishes to exchange with the Source Bonds of any series and in any amount that he holds. A total number of units of all Destination Bonds that you will receive in exchange for your Source Bonds tendered will not exceed a total number of units of Source Bonds accepted for exchange by the Issuer.

Once Eligible Bondholders have received the written results of the Exchange Offer from the Joint Lead Managers, the Issuer's acceptance will be irrevocable, except as otherwise specified herein. Exchange Offers, as so accepted, will constitute binding obligations of the submitting Eligible Bondholders and the Issuer to settle the exchange in the manner described in Paragraph 7. (*Settlement*). The Issuer will also announce by press release issued to the news services or through PDMO's website, the general results of the Exchange Offer for information purposes.

On the Settlement Date, the Issuer, through the Joint Lead Managers, will instruct the Broker or Custodian of each Eligible Bondholder who has submitted the Exchange Offer to (a) proceed with the Source Bonds not accepted as usual or (b) credit the accepted Source Bonds of each Eligible Bondholder whose Exchange Offer has been accepted into the BOT's Securities Account in the depository system provided by TSD (scripless system) as specified in the Instruction to Transfer Form, for the purpose of the settlement of the exchange transaction on the Settlement Date. Each Eligible Bondholder whose Exchange Offer has been accepted must procure that its Broker or Custodian complies with the instruction of the Issuer in all respects.

6.7 Irregularities

All questions regarding the validity, form and eligibility, including time of receipt or revocation or revision, of any Exchange Offer will be determined by the Issuer at its sole discretion, which determination will be final and binding. The Issuer reserves the absolute right to reject any and all Exchange Offers not being in proper form or for which any corresponding agreement by the Issuer to exchange or repurchase may, in the opinion of the Issuer's counsel, be unlawful. The Issuer reserves the absolute right to waive any of the conditions of the Invitation or defects in any Exchange Offer. None of the Issuer and the Joint Lead Managers shall be under any duty to give notice to you, as the offering Eligible Bondholder, of any irregularities in the Exchange Offers, nor shall any of them incur any liability for the failure to give such notice.

7. Settlement

The Settlement Date for the exchange transaction will be 28 June 2017.

On the Settlement Date:

- By 10.00 a.m., if the Issuer has accepted an Eligible Bondholder's Exchange Offer, such Eligible Bondholder will be deemed to have delivered or caused to have delivered to the Issuer good and marketable title to his Source Bonds of the series and in the amount accepted by the Issuer in accordance with the instruction of the Issuer in 6.6 "*Acceptance of Exchange Offers*", free and clear of all liens, charges, claims, encumbrances, interests, rights of third parties and restrictions of any kind and will have paid the Net Cash Settlement Amount which the Eligible Bondholders must pay to the Issuer (if any) as informed by the Joint Lead Managers by way of wire transfer to the Net Cash Settlement Receipt Account – Issuer in accordance with the terms and condition specified herein.
- Once the Issuer has duly received the Source Bonds accepted in the BOT's Securities Account and the Net Cash Settlement Amount (if any) in the Net Cash Settlement Receipt Account – Issuer from the relevant Eligible Bondholder in accordance with the terms and conditions set out herein, such Eligible Bondholder will receive, in exchange for the Source Bonds and the Net Cash Settlement Amount (if any) delivered to the Issuer, the payment of the Net Cash Settlement Amount made by the Issuer (if any), the Destination Bonds to which you are entitled and the Net Cash Settlement Amount which the Issuer must pay to you (if any), as calculated by using the Formula and in accordance with the procedures set out herein, by crediting such Destination Bonds in your Designated Securities Account and wire transferring such Net Cash Settlement Amount (if any) to your Net Cash Settlement Receipt Account – Bondholder, as identified in your Account Instruction Form by 3.00 p.m. on the Settlement Date. However, if within the Submission Period, the Joint Lead Managers do not receive your Account Instruction Form containing, among other things, details of your Designated Securities Account and Net

Cash Settlement Receipt Account – Bondholder, the Destination Bonds to be delivered to you will be deposited into your Broker's account into which your tendered Source Bonds are or were deposited, and, as for the Net Cash Settlement Amount to be paid to you (if any), you must notify the BOT of the details of the Net Cash Settlement Receipt Account – Bondholder without delay so that the BOT will transfer the Net Cash Settlement Amount to such account without any interest or penalty thereon.

The determination by the Issuer of the amount of Destination Bonds that the Issuer will deliver to the Eligible Bondholders and any other calculation or quotation made with respect to the Invitation shall be conclusive and binding on you, in the absence of manifest error.

8. Market for the Source Bonds

The Issuer, through the BOT, will cancel all Source Bonds accepted for exchange by it pursuant to the Invitation. Accordingly, the exchange of Source Bonds pursuant to the Invitation will reduce the aggregate principal amount of Source Bonds that otherwise might trade in the secondary market. Source Bonds not exchanged pursuant to the Invitation will not be cancelled and remain outstanding.

9. Other Matters

The Issuer reserves the right following the completion or cancellation of the Invitation to offer to exchange or buy Source Bonds or sell new securities, or to issue a new invitation to submit offers to exchange or sell Source Bonds or purchase new securities, in each case on terms that may be more or less favourable than those contemplated in the Invitation. The making of any such new offers and the making of any new invitation will depend on various factors, including interest rates prevailing at such time and the principal amount of Source Bonds retired pursuant to the new invitation.

10. Regulatory Approvals

The Destination Bonds will be issued pursuant to the applicable Notifications of the MOF and the issuance of Destination Bonds in accordance with the exchange transaction contemplated herein is under the Issuer's Annual Public Debt Management Plan for Fiscal Year B.E. 2560 (2017) approved by the Cabinet of Thailand on 30 August 2016, which has subsequently been amended in accordance with the Amendment to the Annual Public Debt Management Plan for Fiscal Year B.E. 2560 (2017) No. 1 dated 28 February 2017, as approved by the Cabinet of Thailand.

CLEARING AND SETTLEMENT

TSD

Clearance of the Destination Bonds will be effected through an electronic book-entry clearance and settlement system for the trading of debt securities (the "**Depository System**") maintained by TSD. TSD, a wholly-owned subsidiary of the SET, is incorporated under the laws of Thailand and acts as a depository and clearing organisation. You may obtain more information on TSD and the Depository System through www.tsd.co.th.

Payment of Net Cash Settlement Amount via BAHTNET System

The payment of Net Cash Settlement Amount (if any) as calculated by using the Formula for the purpose of the exchange transaction will be made in accordance with the terms and conditions specified herein. If the Issuer is required to pay the Net Cash Settlement Amount to the Eligible Bondholders, such payment will be made only via BAHTNET System managed by the BOT. BAHTNET System is a system established by the BOT to receive and transmit high value funds transfer via electronic means between financial institutions, government agencies, state-owned enterprises, internal departments of the BOT and any entity established under a specific law, holding accounts opened with the BOT, which is provided and managed in accordance with the BOT Regulation on BAHTNET Services dated 12 April 2005 (as amended). All the Destination Bonds to be issued in exchange for the Source Bonds as specified in this Exchange Offer Memorandum will initially be held by TSD in the scripless form for accountholders holding the Destination Bonds in the Designated Securities Accounts with TSD (the "**Depositors**"). Delivery and transfer of Destination Bonds between the Depositors is by electronic book-entries in the records of TSD only, as reflected in the securities accounts of the Depositors. However, after the settlement of the exchange transaction contemplated herein, holders of the Destination Bonds may withdraw their Destination Bonds (in full or in part) from the Depository System and request to receive a physical bond certificate representing the ownership of such Destination Bonds by submitting a securities withdrawal request to the Depositors.

For the avoidance of doubt, transfers of Destination Bonds after the completion of the exchange transaction whether made in the scripless system between the securities accounts of Depositors or by means of physical transfer of certificates representing Destination Bonds, can only be made in the minimum principal amount of Baht 1,000 and integral multiples thereof.

THAI TAXATION

This summary contains a general description of the principal Thai tax consequences of the investment in the Thai Government Bonds (including the Destination Bonds) (hereinafter referred to as the "**Bonds**") by an individual or corporate investor and a summary of Thai tax implications on the exchange transaction contemplated in this Exchange Offer Memorandum. It does not purport to be a comprehensive description of all of the tax treatments or considerations that may be relevant to a decision to invest in the Bonds or in the exchange transaction. The description and summary under this Thai Taxation section are based upon the tax laws of Thailand and the rulings and interpretations by the Revenue Department in effect on the date of this Exchange Offer Memorandum and are therefore subject to any subsequent changes in the future.

PROSPECTIVE INVESTORS SHOULD CONSULT THEIR OWN TAX ADVISORS REGARDING THE CONSEQUENCES OF AN INVESTMENT IN THE BONDS AND THE EXCHANGE TRANSACTION CONTEMPLATED IN THIS EXCHANGE OFFER MEMORANDUM, INCLUDING BUT NOT LIMITED TO, THE CONSEQUENCES UNDER THAI LAW, THE LAWS OF THE JURISDICTION OF WHICH THEY ARE RESIDENT AND ANY TAX TREATY BETWEEN THAILAND AND THERE COUNTRY OF RESIDENCE FOR TAX PURPOSES.

The tax liability of a holder of the Bonds (the "**Bondholder**") and the applicable tax rates will depend on the types of income and the tax status of the Bondholder such as whether or not the Bondholder is an individual or a juristic person, or whether it is a juristic person that is subject to income tax or not, whether the Bondholder is considered a resident of Thailand or is considered to be carrying on business in Thailand, or whether the Bondholder is a resident of a country that has a double taxation agreement with Thailand.

If the recipient elects to include the interest or capital gain with other income of the recipient for the purpose of calculating personal income tax, he/she will be entitled to treat the tax so withheld as a credit against his/her final tax liability.

2. *Bondholder is a company or a juristic partnership*

A Bondholder which is classified as any entity prescribed in Section 39 of the Revenue Code, being a company or a juristic partnership established pursuant to the laws of Thailand or established pursuant to a foreign law (but doing business in

(2) *Capital Gain*

A capital gain, being the amount in excess of the cost of acquisition, derived from the transfer of the Bonds (to any person/entity other than the Thai Government), which is received by a Bondholder which is an Entity under Section 39, is not subject any withholding tax. 2) Thai Tax Implications on the Exchange Transaction relating to the Destination Bonds

For the Destination Bonds which are issued to constitute the same issue as any other existing issue of outstanding government bonds (re-opened bonds), such Destination Bonds may carry accrued interest. In such case, the difference between the price (per unit) of the said Destination Bonds reflecting accrued interest (the "Dirty Price") and the nominal value of the Destination Bonds (which is Baht 1,000, each) (the "Face Value") shall be subject to the withholding tax as follows:

1. If the Dirty Price is higher than the Face Value, the difference between the Dirty Price and the Face Value shall not be considered as the Eligible Bondholder's income and therefore shall not be subject to any withholding tax.
2. If the Dirty Price is lower than the Face Value, the difference between the Dirty Price and the Face Value shall be considered as the Eligible Bondholder's interest income (the "**Discount**") and shall be subject to withholding tax as follows:

(1) *Eligible Bondholder is an individual*

The Discount is subject to 15% withholding tax.

(2) *Eligible Bondholder is an Entity under Section 39*

The Discount is subject to 1% withholding tax.

(3) *Eligible Bondholder is a company or registered partnership incorporated under foreign laws not carrying on business in Thailand and not having a permanent establishment in Thailand*

The Discount is not subject to any withholding tax.
